We will provide food and water bowls, and can provide bedding if you do not bring your own. Please note that if your doggie likes to eat bedding, we will need to remove it from their suite, and we reserve the right to charge you for any damaged or destroyed bedding. Bringing their personal belongings, like their favorite bed/blanket and toys, will make them feel more at ease away from home. We recommend bringing some comforts from home, as well as their own regular food to avoid digestive discomfort. We can supply some food if we run out (please bring enough!), and we do charge for Digstown food.

- Note: This is a BASIC BATH or NAIL TRIM. This is not a grooming appointment, and we will not force pups to do this.
